TO WHOM IT MAY CONCERN

I have been writing to the MOP about pay fixation in the revised pay scales w.e.f. 1.1.1997 in the REC Limited but to no avail. I also find something discouraging/mismanagement in the working pattern of the MOP down the ladder. So, in the public interest, I would request to please provide following information:

1. Total sanctioned strength of the MOP and the number of employees (both Officers & officials) in position as on date.

2. Please give an attested copy of the orders/guidelines/prevalent practice of deputing officials and cars to the MOP from the CPSEs under its administrative control/jurisdiction as on date.

3. Please give CPSE-wise details of officials with designation and cars with drivers presently deputed in the MOP, period of their deputation and the work allocated to each of them (persons deputed to MOP). Please also intimate as to who is bearing their salary & allowances as well as propulsion charges of cars.

4. Please arrange to provide an attested copies of Office Orders issued by 5 CPSEs viz. REC, NHPC, THDC, NEPECO and SIVNL for finally implementing the revised pay scales w.e.f. 1.1.1997 and reworked the pay fixations of their below Board level Executives who were retired prior to 31.12.2006. These CPSEs are not responding to my requests.

5. Please arrange to provide attested copies of Office Orders issued by the 5 CPSEs as at Point 4 above for finally implementing revised pay scales w.e.f. 1.1.2007.

6. I got registered some grievances on the MOP Portal vide Regd. No. MPOWR/E.2014/00593 (marked to Mr. A.K. Mitra U.S.) dt. 17.10.14 followed by even No.00598 (marked to Mr. S.S. Rawat U.S.) dt. 20.0.14. No.00621 (marked to Mr. A.K. Mitra U.S.) dt. 05.11.14. No.00657 (marked to Mr. A.K. Mitra U.S.) dt. 25.11.14. No.00664 (marked to Mr. T.S.C. Bosh-GMRGGY) dt. 30.11.14 and No.00681 dt. 10.12.14 on the expectation that suitable action including calling report from the REC Limited, is to be taken by the MOP. But to my dismay including my fellow retired Executives, the MOP simply and conveniently opted to forward my grievances to the REC itself asking to take action and to give suitable replies to the complainant under intimation to the MOP. After this, the concerned officials of the MOP opted to sleep on the matter without bothering to reminding the REC for sending action taken report. And the REC also opted to keep mum on these references of the MOP because neither any action has been taken by the REC nor any reply has been received by me as yet.

So, in order to enable me to pursue the matter, please give attested copies of all the communications written by the MOP and those exchanged between the MOP and the REC in regard to my all the grievances. Please also let me know as to how the MOP proposes to resolve my all the grievances and in how much time.

7. Copy of my letter dated 14.10.14 addressed to the Pr. Secretary to the P.M. New Delhi as received by the MOP, was forwarded to the REC Limited for appropriate action and its intimation directly to me. A copy of reply received by me from the REC Limited vide letter No.07/01/2012/HR/Desk-II/312 dated 15.12.14 was sent by me to the Secretary-Power, MOP on 20.12.14 via E-mail. In this context, I would request to please provide an attested copy of MOP's letter vide which copy of my letter dated 14.10.14 was sent to the REC Limited. Please also give an attested copy of letter received by the MOP from the PMO. The action proposed to be taken by the MOP after receiving a reply from the REC, may also please be intimated.

8. Please give an attested copy of terms of appointment of Independent Director currently on the Board of REC Limited. A number of misadventures & nefarious activities are
taking place in the REC Limited. It is not known whether both the Govt. (MOP) Nominee as well as Independent Directors have taken contingency and raised their voices in regard to all such activities and also reported to the MOP. If so, please give attested copies of their observations. The MOP may like to ensure that another “Satyam Computers” type case does not take place in the REC. In case both or any one of them is not performing their required duties, would the MOP consider expedient to order replacement.

9. Please give attested copies of orders/guidelines of Govt. of India and MOP regarding tenure of all categories of officers in a particular Ministry and also on a particular desk.

10. Please give details of current tenure of all the officers of the MOP from the level of J.S. to U.S. as well as the dates of allocation of current work. Please also give details of changes effected in the work allocation between them during last 3 years and the current year till date. Please give reasons recorded by the competent authority, if any, for not effecting reallocation of work after lapse of permissible period.

11. Please give attested copies of Annual Property Returns (both movable & immovable) for last 3 calendar years in respect of all the existing Officers of the MOP at the level of J.S. & below up to U.S. including senior level staff members.

12. Please give an attested copy of order of Govt. of India and MOP allowing payment of allowance/reimbursement of expenditure to the officers and staff of MOP to cover the amount spent on conveyance from their residence to the office and back.

13. I find that all of my representations addressed & sent to the Secretary-Power as well as all the grievances I got registered on the portal of the MOP, have finally gone to either Mr. A. K. Mitra or Mr. S. S. Reddy and both have simply opted to dump them. This is evident from the fact that I have received not a single response irrespective of the matter of any importance/significance. As gathered, such actions of both of these Under Secretaries of the MOP attribute and can be safely pronounced to the fact that both have been provided 2 cars with drivers for free use to each of them by the REC Limited propulsion charges are born by the REC. One car is being used by the factoy owner wife of one of these 2 Under Secretaries. Besides this, both are getting expensive gifts on different occasions not only from the REC but also from other CPSEs under the MOP.

In view of above, I would request the Secretary-Power to initiate investigations against both these Under Secretaries and if found guilty, punish them under Anti-Corruption Act. Besides these two, possibility of involvement of other Officers at high level in the MOP can also not be ruled out. The Secretary-Power may like to take remedial measures so as to have a clean face of the MOP.

14. I would request the MOP to please provide details specifically about above mentioned two Under Secretaries as regards their date of posting in the MOP and the work currently allocated to them. Please also provide dates of important papers including my complaints and grievances marked to them and the dates when they submitted these papers/documents to their next higher Officers.
